DESIDERATA

Go placidly among the noise and haste, and remember what peace there may be in silence. As far as possible, without surrender, be on good terms with all persons. Speak your truth quietly and clearly; and listen to others, even the dull and ignorant; they too have their story.

Avoid loud and aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain and bitter, for always there will be greater and lesser persons than yourself. Enjoy your achievements as well as your plans.

Keep interested in your own career however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; life is full of heroism.

Be yourself. Especially do not feign affection. Neither be cynical about love; for in the face of all aridity and disenchantment, it is as perennial as the grass.

Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue and loneliness. Beyond a wholesome discipline, be gentle with yourself.

You are a child of the universe, no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should.

Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors and aspirations, in the noisy confusion of life, keep peace with your soul.

With all its shame, drudgery and broken dreams, it is still a beautiful world. Be careful. Strive to be happy.

So live, that when thy summons comes to join
The innumerable caravan which moves
To that mysterious realm, where each shall take
His chamber in the silent halls of death,
Thou go not like the quarry slave at night,
Scourged to his dungeon, but, sustained
and soothed
By an unfaltering trust, approach thy grave
Like one who wraps the drapery of his couch
About him, and lies down to
pleasant dreams.

Carnival

Spruce Creek's first Homecoming was highlighted by an in-school carnival. Booths and different activities were sponsored by various clubs and organizations.

That night, a bonfire and a hayride spruced up the Creek's spirits so much that they went on to win their homecoming game!

Festivities were concluded with a semi-formal dance on the following night. The Homecoming theme of 1976 was "Time in a Bottle."

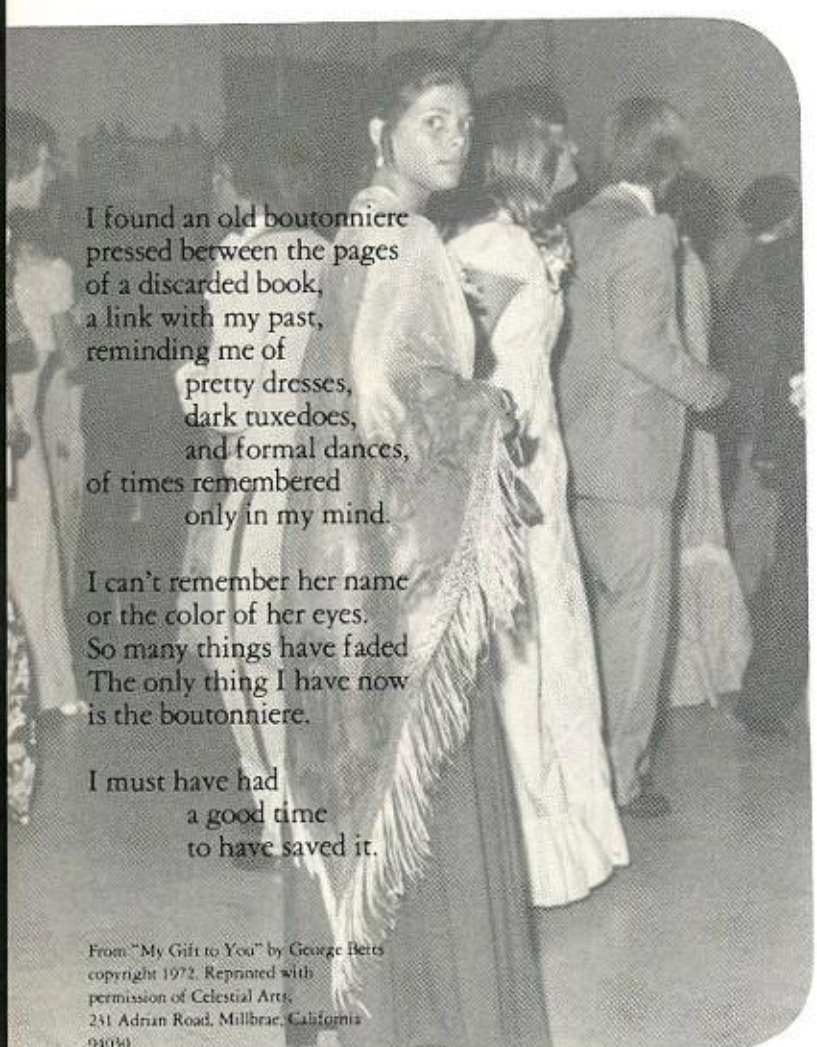
Homecoming Dance



I found an old boutonniere
pressed between the pages
of a discarded book,
a link with my past,
reminding me of
pretty dresses,
dark tuxedoes,
and formal dances,
of times remembered
only in my mind.

I can't remember her name
or the color of her eyes.
So many things have faded
The only thing I have now
is the boutonniere.

I must have had
a good time
to have saved it.

On October 7, 1976, Spruce Creek's first mascot, Hawk the Dog, was struck by an automobile and killed. Everyone was totally shocked by the sudden tragedy. We had lost a part of Spruce Creek that would always remain in the memories of those who knew Hawk.

On December 18, Mr. Gold accepted a three-month old, part German Shepherd puppy to become the school's new mascot. His name was Dilbert, and soon became known as Dilbert Hawk.

Dilbert Hawk came to Spruce Creek after Christmas vacation. His major problem was figuring out why he suddenly got so much attention. The janitor's major problem was getting him housebroken.

Through his growing up Dilbert Hawk has warmed the hearts of everyone at Spruce Creek.

Pep Rallies

Only noise surpasses the spirit that seems to shout out from every corner of the gym during a Spruce Creek pep rally. Besides the band and the cheerleaders, Mr. Gold is also an active participant. Banners along the walls boost everyone's spirits. The football players watch impatiently as they anticipate the oncoming game. During these moments Spruce Creek High School comes together to show off their great "Hawk Pride."

S.W.A.T.

Spruce Creek's S.W.A.T. (Senior Warfare Antagonistic Tactics) a group of about fifteen Seniors, caused the Creek to rise for other local high schools.

To be a member, one must be fun-loving, nondestructive, sneaky, cunning, daring, and capable of making up lost sleep.

S.W.A.T. hopes that the tradition will carry over for years to come.

Pigtails, overalls, corn cob pipes, and suspenders created a good down-home cotton-pickin' foot-stompin' atmosphere down at the ole Creek March 4.

Daisy Mae, Lil Abner, Marry'n Sam, Mammy Yokum, and Pappy Yokum were there to greet everyone with a "Hey Ya'll!" There was square dancin' and hay throwin' as the gals grabbed their guys and had some good ole country fun.

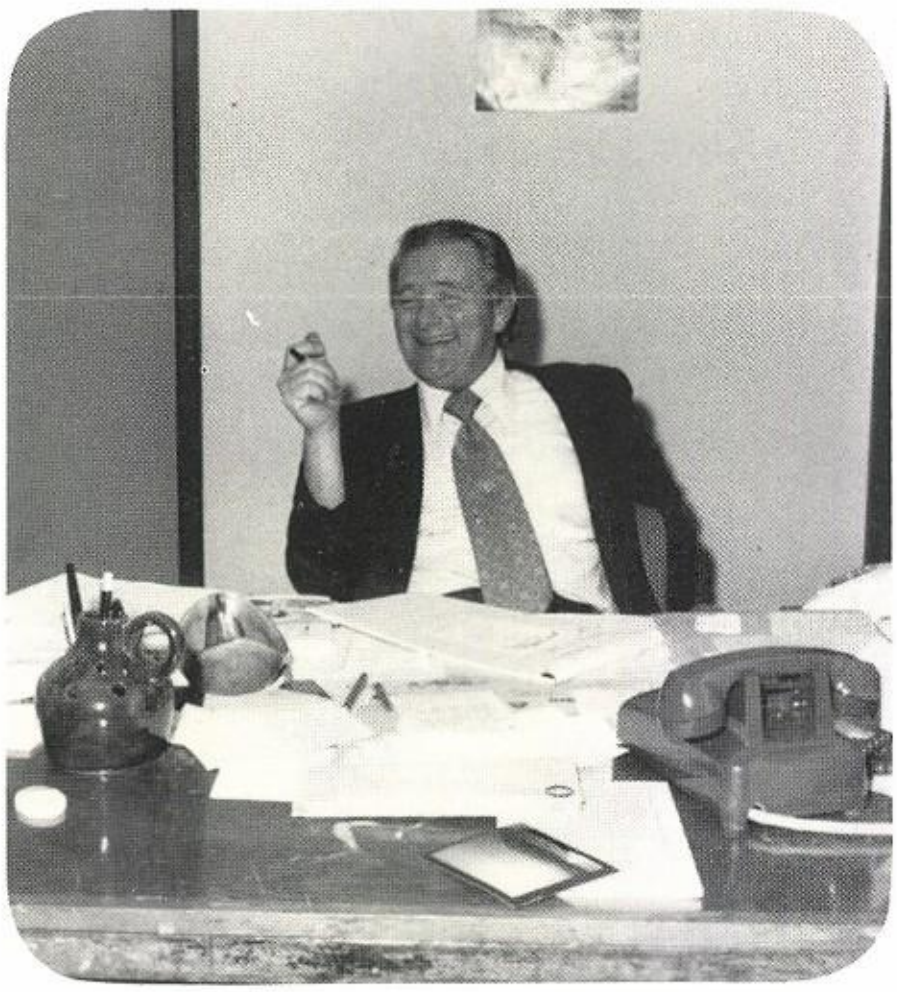
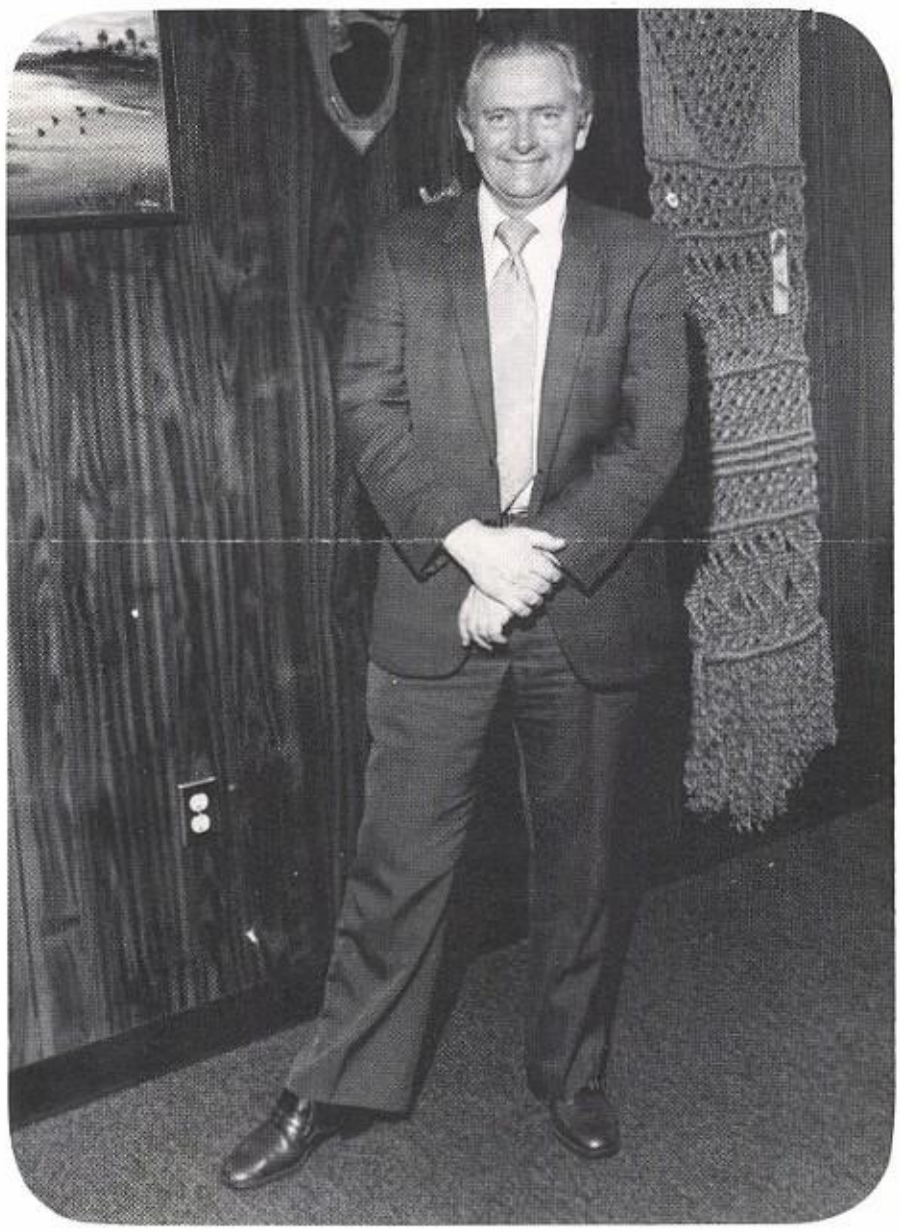
Mr. Howard Gold
Principal

In the future, when reminiscing about our high school days at Spruce Creek, a memory of MR. GOLD will surely come to mind. Perhaps it will be of a pleasant face greeting everyone and always smiling. Maybe it will be of a man casually bent over a podium in front of the entire student body quietly telling a joke. Perhaps it will be of the man who dressed up in cowboy attire and had a shootout with a student at one of the pep rallies. Possibly it will be of a kind and gentle voice telling us to please disregard the previous fire alarm. Perhaps it will simply be a man with a deep concern for what's best for Spruce Creek High. These glimpses prove that this man is of the highest caliber. Only through his help and guidance has Spruce Creek become what it is today. Only his personality surpasses his achievements.





Mr. Horton

Mr. Robinson

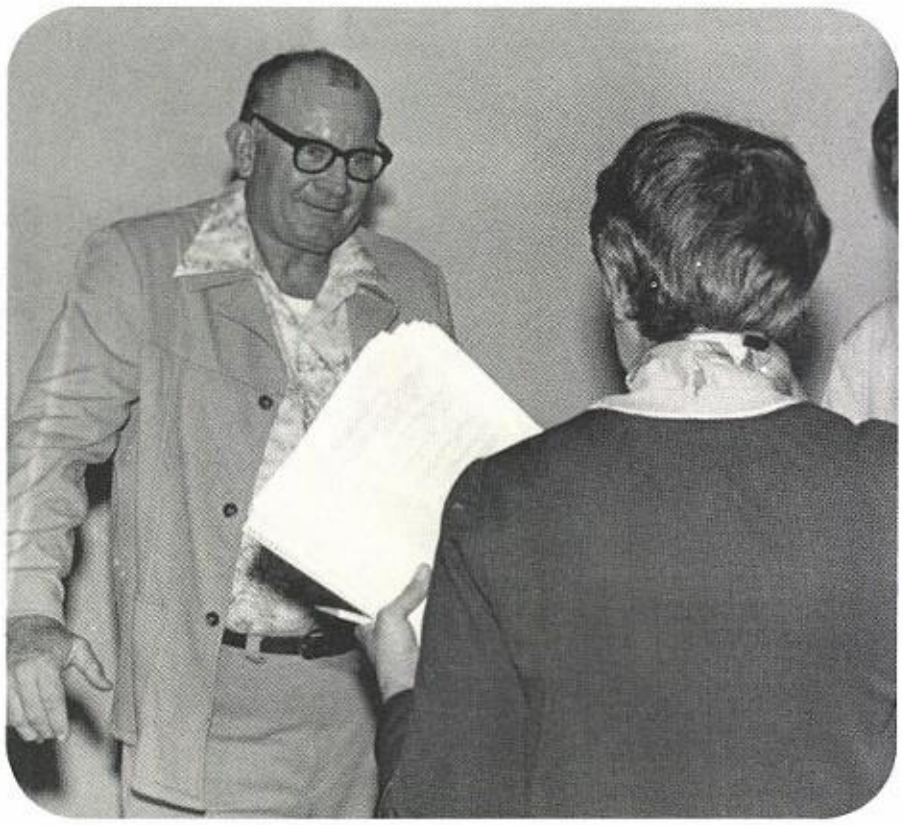
Miss Posey

MISS POSEY works continuously to aid both the faculty and the students. She plays an integral part in the processing and transferring of schedules, compiling and updating student records, and coordinating all work done by Data Processing. She also helps in the planning of graduation exercises. Despite her busy schedule, Miss Posey always has time to listen and give a word of encouragement.

MR. ROBINSON plays an important part in the "goings on" at Spruce Creek. He must at all times be aware of different activities and problems that arise. As Associate Principal, Mr. Robinson must be ready to take over in Mr. Gold's absence. What other man could keep up with so much and still have time to smile and talk with the students? He works diligently to keep student affairs operating smoothly and efficiently. He is a truly unique individual.

MR. HORTON is one of the two Assistant Principals. He is responsible for compiling all the information that goes into the booklet that describes the courses offered. He also is responsible for textbook selection and inventory. He works with the teachers to set a standard for each of the courses. His work is shown largely in everyday activity around the school. His pleasant smile and congenial manner are positive assets to life at S.C.H.S.

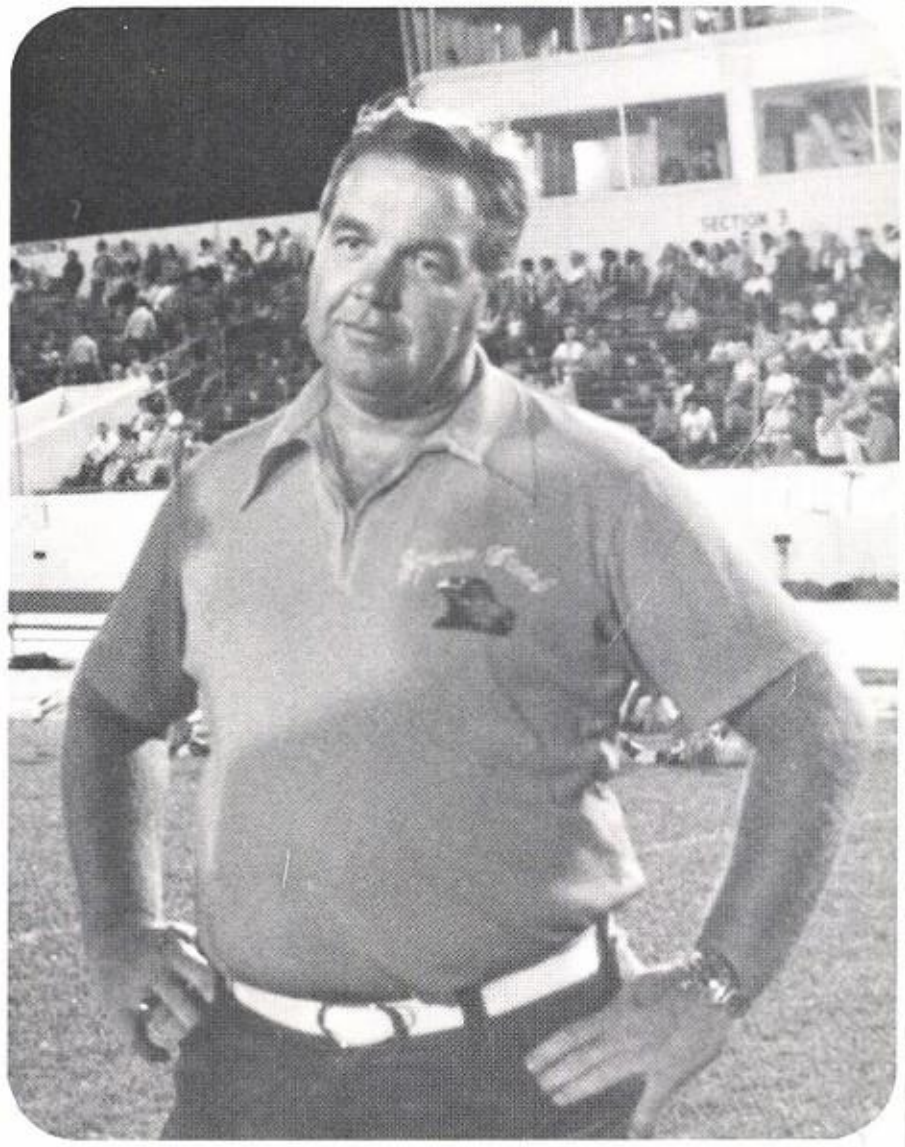
Administration



Milton Wetherington

Bill Haynes

The Administration of Spruce Creek underwent some changes this year. Mr. Wetherington, Mr. Matthews, and Coach Haynes were designated attendance supervisors for seniors, juniors, and sophomores respectively. These three men not only helped keep our school running smoothly, but also found time to teach a variety of classes, coach several different sports, and become actively involved club sponsors. Their energy, concern and understanding have contributed greatly to the daily routines of Spruce Creek.



Jim Matthews

Connie Helms

One of the very few persons who knows about all of the activities at Spruce Creek is Mrs. Connie Helms. She coordinates all of the extracurricular activities and takes the time to listen in on club meetings and assist with the yearbook. Most of all, she finds the time to care about students. She is a major contributor of every activity at Spruce Creek.

Mrs. Marshall and Mrs. Adams share the duties in the Dean of Girls' office. Each of them has taken the time to listen to students and offer encouragement and advice.

Mr. Kirton, who seems to be everywhere all of the time, keeps students in line while doing a terrific job as Dean of Boys.

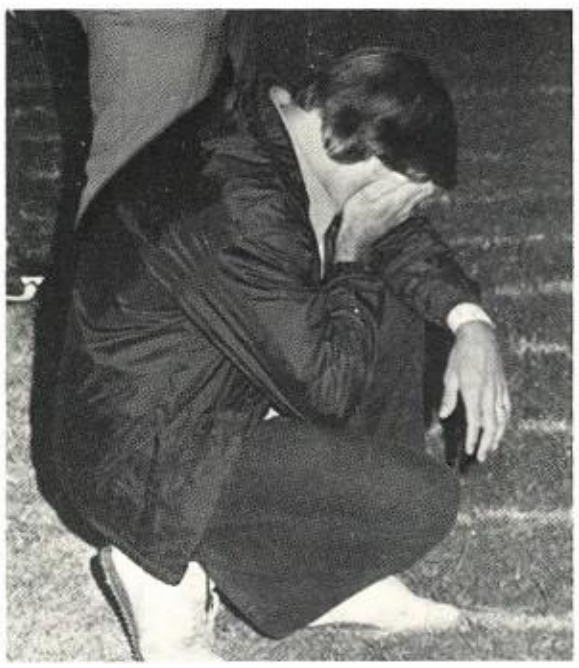
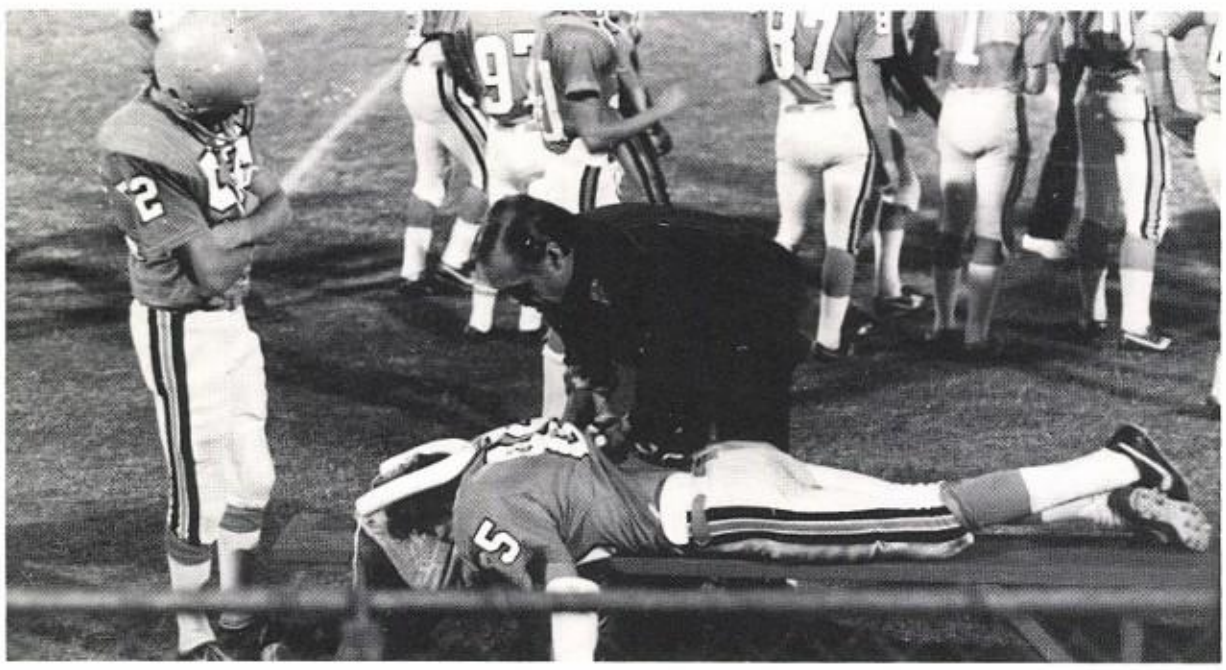
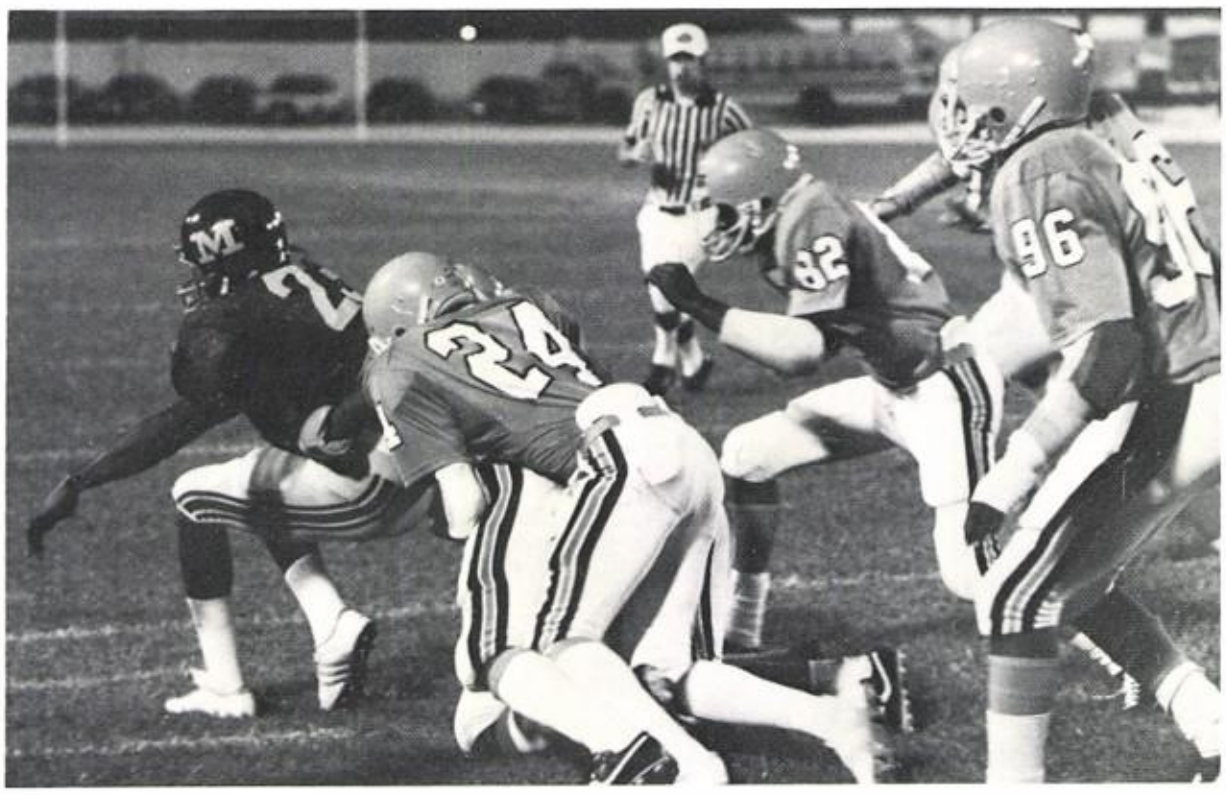
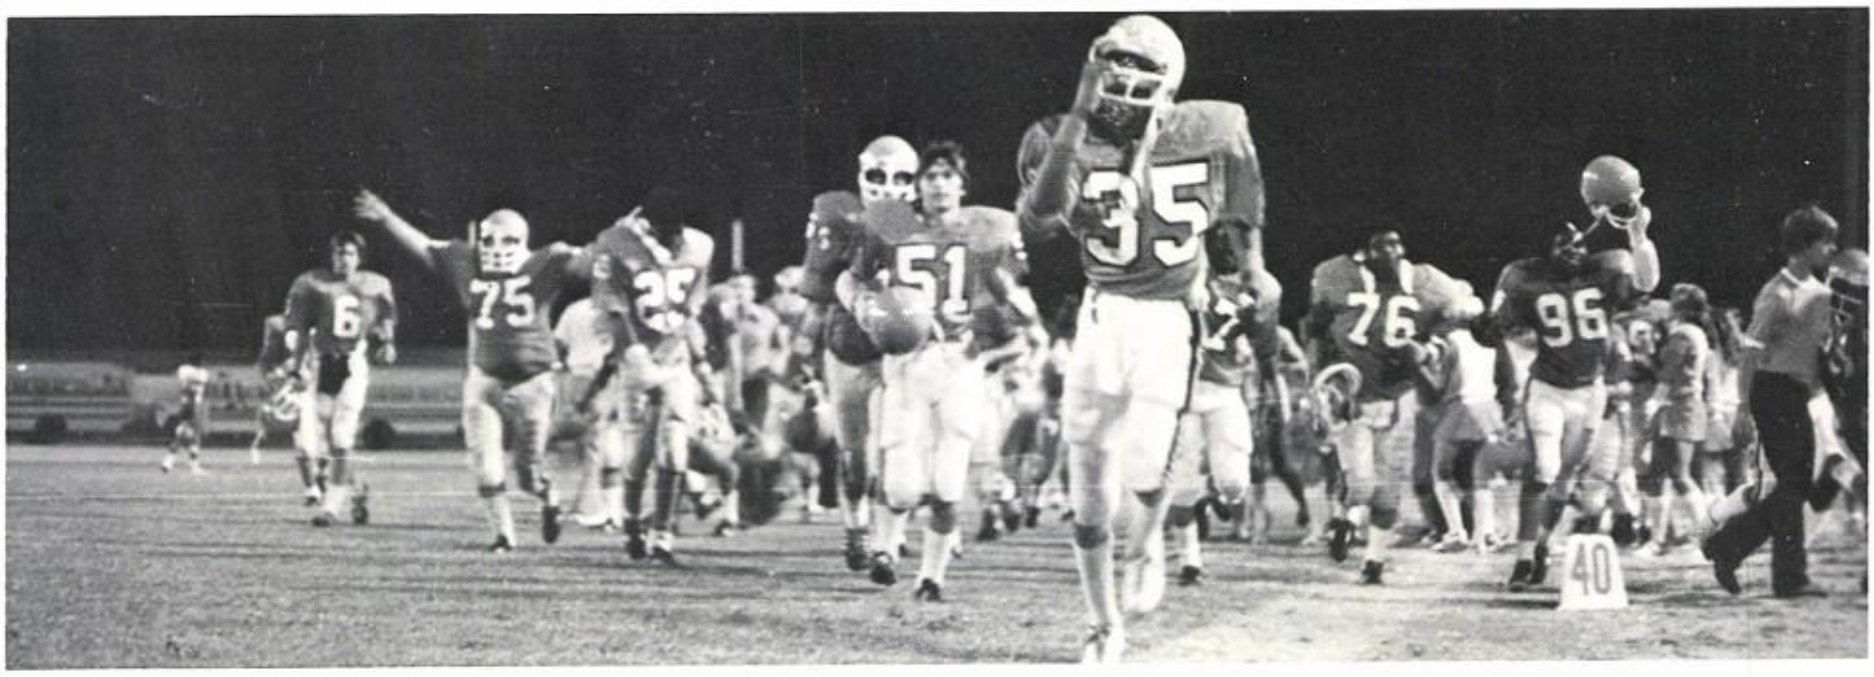
Varsity Football

This season our Hawks tasted victory at its best . . . and the agony attributed to bitter defeat. When one of our players suffered an injury and had to be taken from the game, not only did the crowd feel the anguish, but his fellow players felt the loss. Our quarterback, Scott Stevens, stayed cool and collected under pressure and threw pass after pass with surprising accuracy. Our receivers were always there for the pass and could be counted on to provide a spectacular catch now and then.





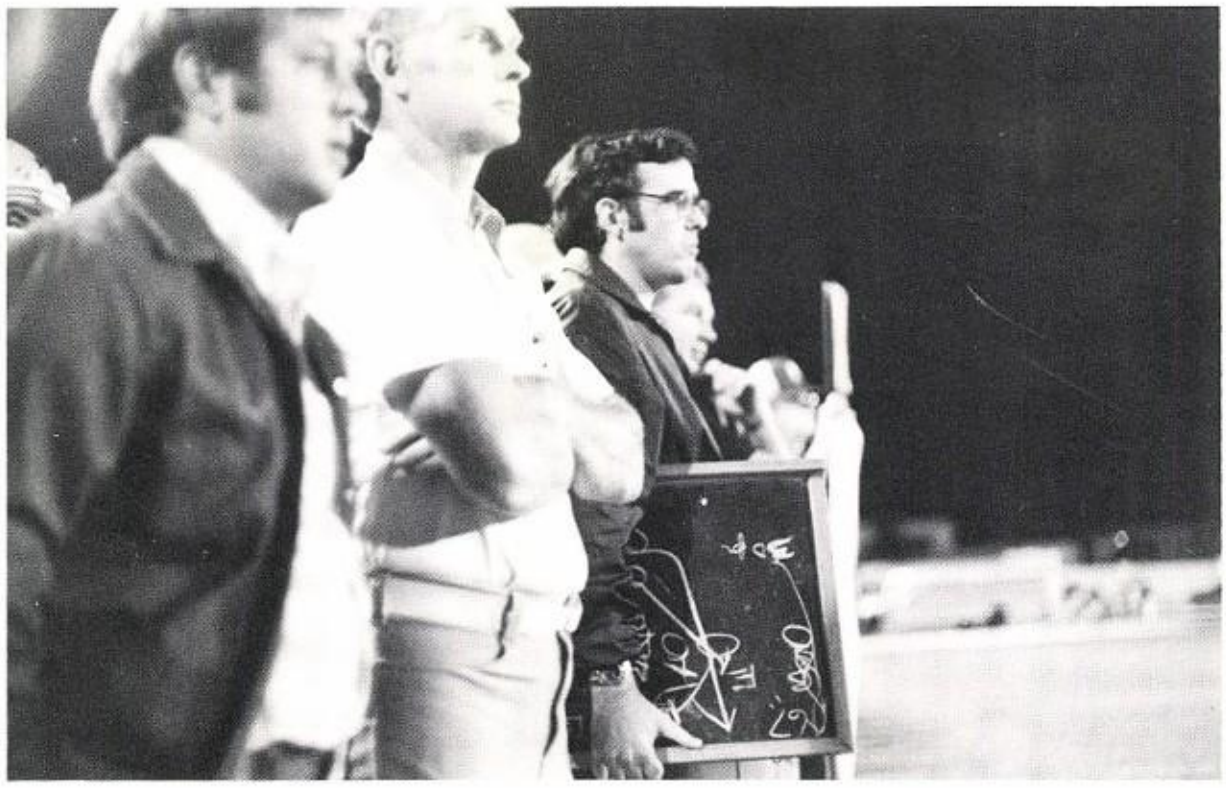




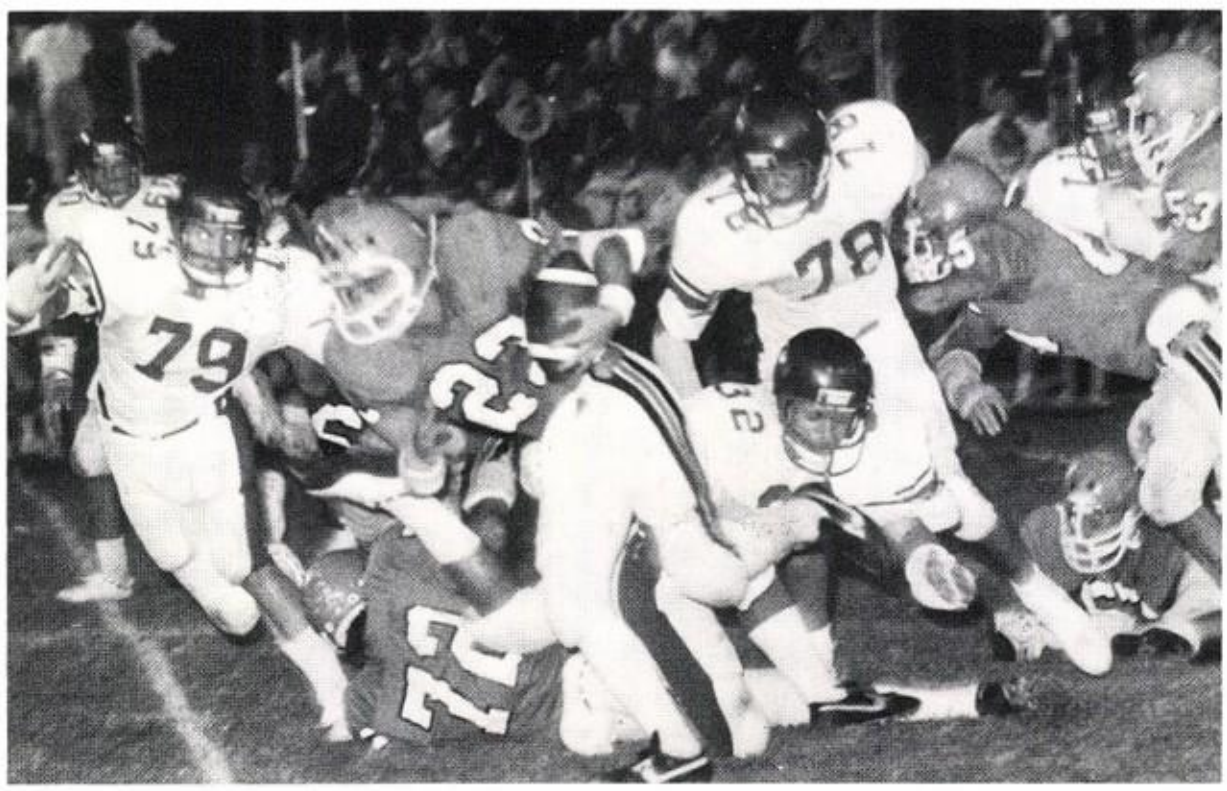
Hawk defense provided much of the games' highlights by stopping our opponents from getting the first down or stifling any attempt by the other team to rally for the win. Outstanding players like Steve Strickland and Bruce McNorton kept the Hawk defensive spirit alive by hitting hard and stopping plays that could have meant touchdowns.

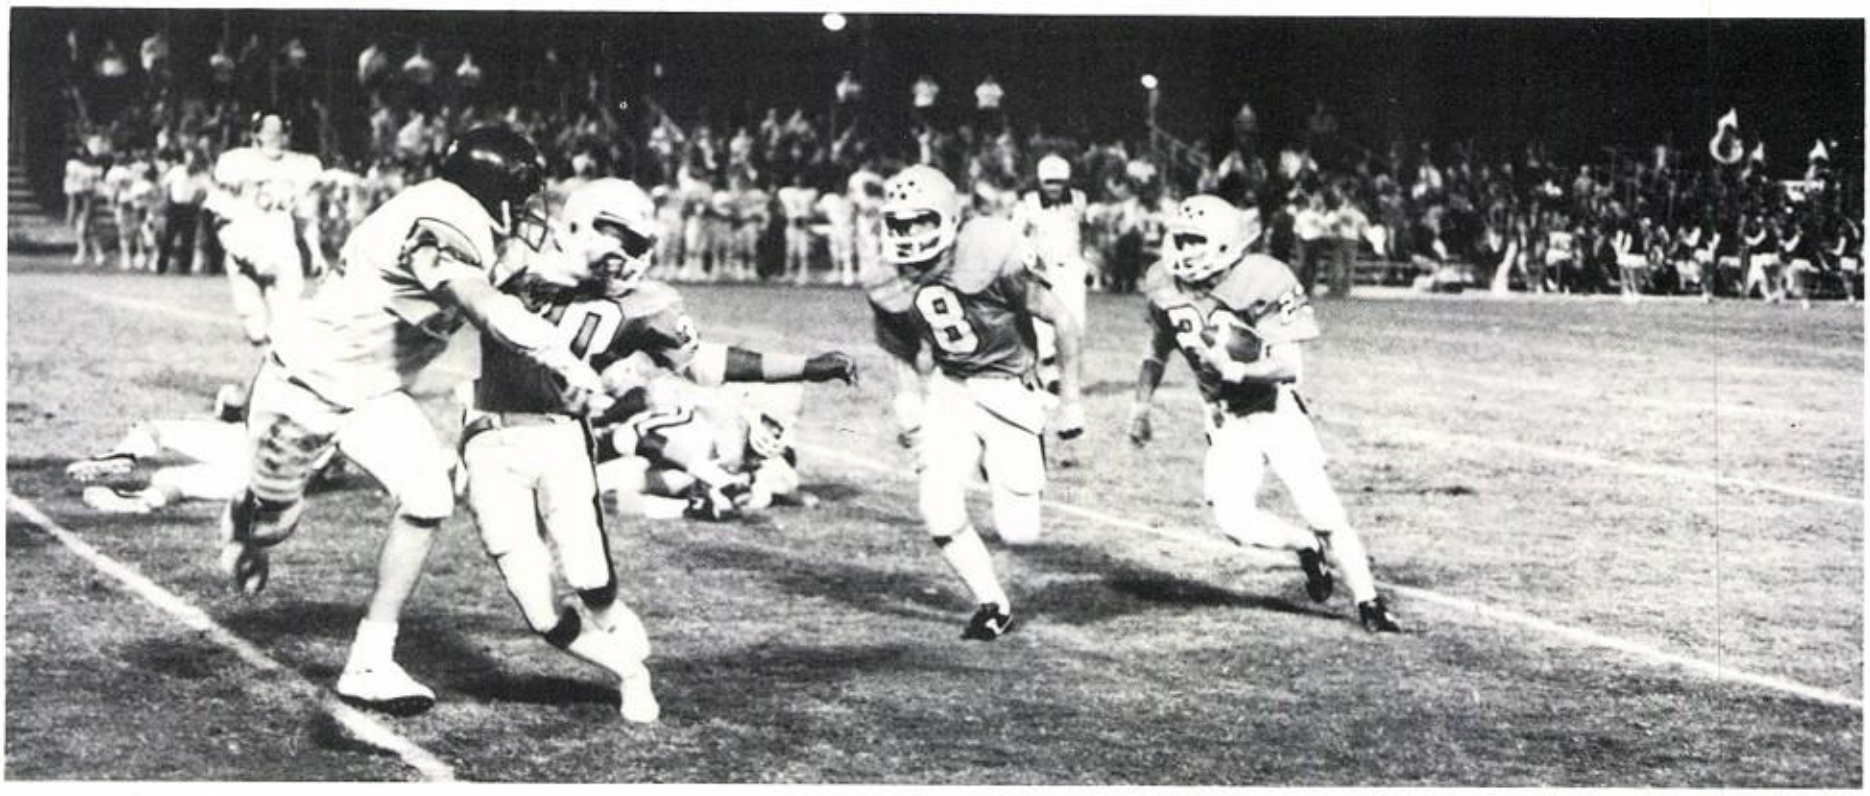
Varsity Football

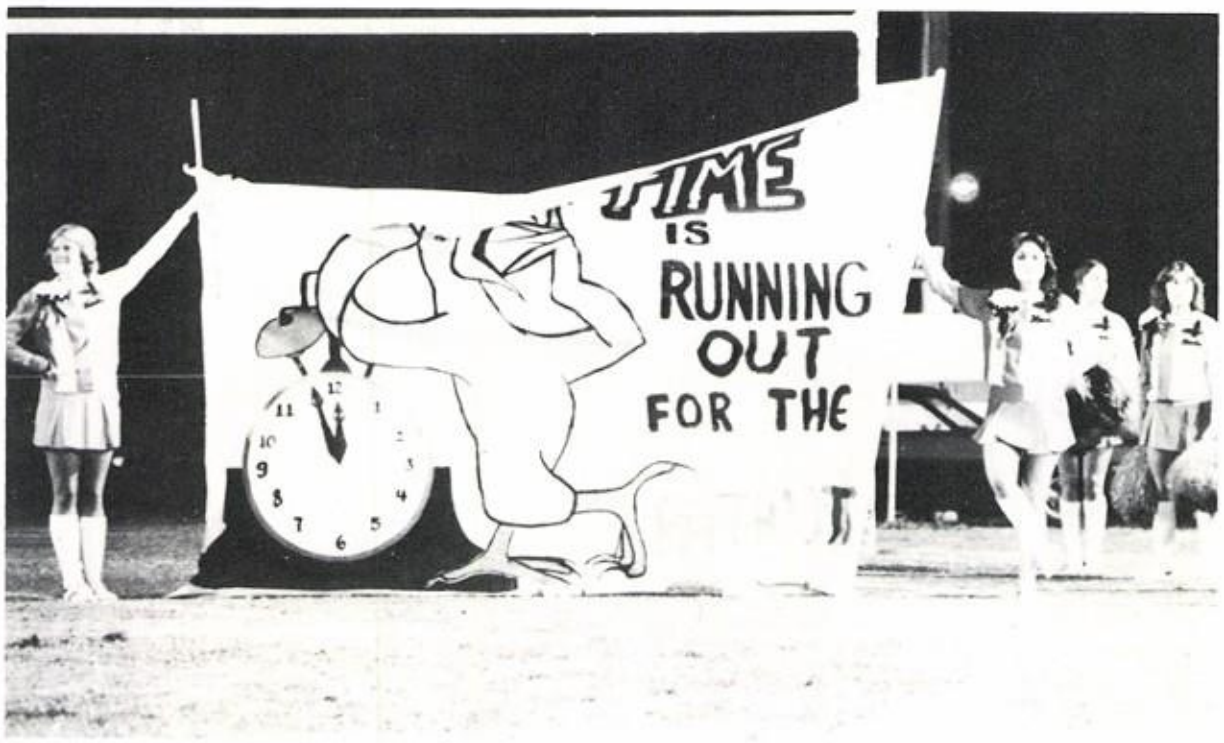
Danny Ashburn contributed much to the rushing gains of our running backs, and with the steady hand and "Hawk" eyes of our quarterback Scott Stevens, the big orange and black machine rolled on. At halftime the coaches reviewed plays and revitalized strategy, while players prepared themselves for the second half.



Scott Stevens could always be guaranteed security while passing due to the superb blocking of the front line. Players like Tom Harding, Glenn Davis, and Paul Meeks provided the protection needed.







The Hawk cheerleaders were always there to boost morale and let the outcome of the game be known. The defense seemed ever-present and ever-ready to smother any and all opposition. The offense paved a way for the backfield by clearing the way, and making the touchdown runs easier.

Hours of hard, grueling practice can only describe the determination with which our cross country team prides itself. Breaking old records and triumphantly setting new ones are only a few of the honors that benefit those who run for our Hawk Cross-Country squad. These boys and girls competed proudly in district meets, always running to set new records, with legs trained for speed.

TOP: Maggie Nelson. LEFT TO RIGHT IN DESCENDING ORDER: Susie Willis, Reni Nacheff, Liz Saunders, Hollie Armstrong, June Peteroy, Janice Hughes, Marybeth Asher, Kim Milholen, DeeDee Shave, Brenda Falconier, Cindy Burley.

When you think of the Varsity Cheerleaders the first thing that comes to mind is spirit. Working on cheers and skits after school . . . bounding to and fro with energetic steps . . . shouts bursting from their lungs. Not only are they morale boosters at our Varsity games but are ever present at our pep rallies, too! The highlight of the year for Maggie Nelson, DeeDee Shave, and Kim Milholen was their nomination to "Who's Who Among American Cheerleaders." Their sponsor, Mrs. Meisch is always available when needed and can always be counted on to give advice and guidance. She has been an important asset to the success of our Varsity Cheerleaders for 76/77.

JV Cheerleaders

The J.V. Cheerleaders, with their vivacious pep and rousing cheers, were behind the J.V. teams through football and basketball seasons. With bubbling enthusiasm and smiles galore, they awakened the crowds and got our teams moving. These girls are indeed a credit to our school and a morale booster for all. Their sponsor, Mrs. Welenc gave unceasingly of her time and effort to help them encourage our teams and get the crowds to participate with cheers and shouts aplenty!!

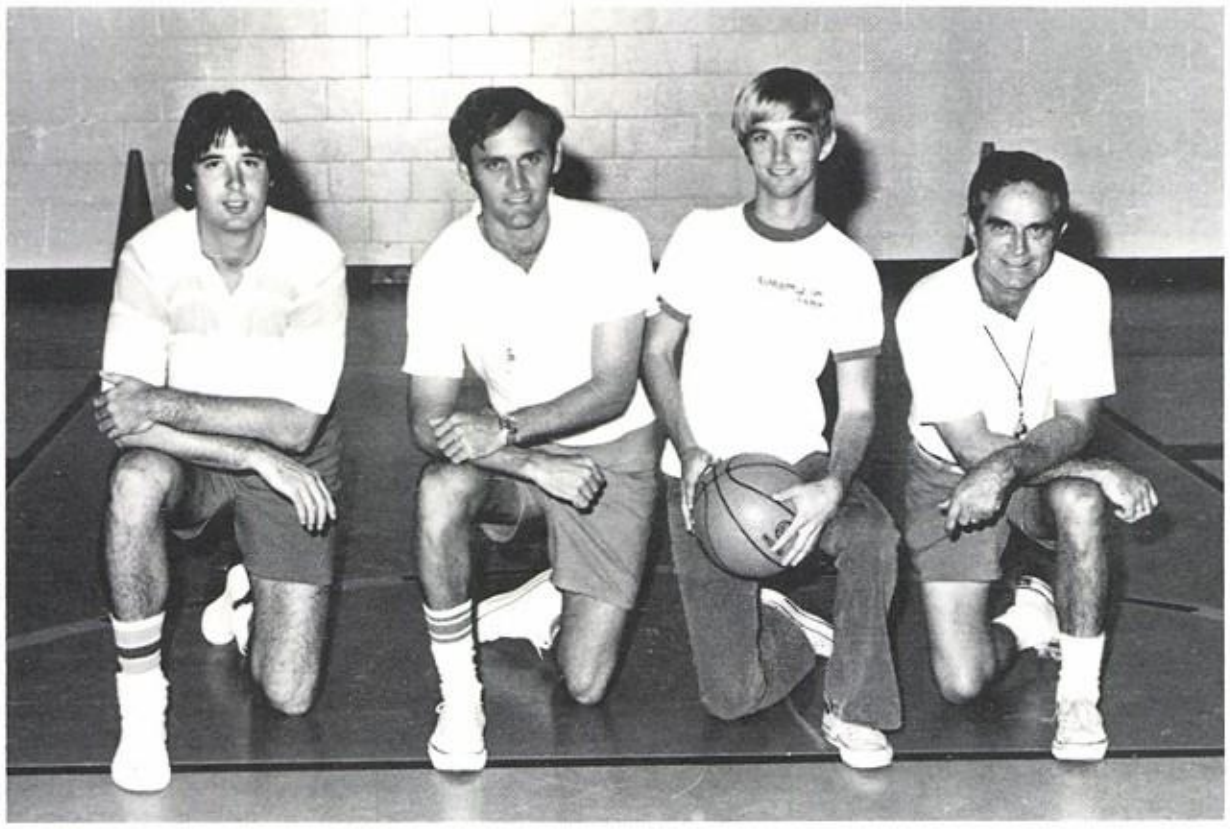
Varsity Basketball



Our Varsity Basketball team is led by persistent and determined players Chris Cantrell, Robert Smith and Paul Steiner. Each has played a decisive role in our victories. Coach Joe Piggotte, with his knowledge and advice, is the genius behind this superb team. The team has proved that work, experience, and fine coaching add to a team's success.

Under the coaching of "Wyc" Woodfin and Joey Piggotte, Jr., this year's Junior Varsity took the court for another rough season. With strength and agility the Baby Hawks moved the ball down the court, scoring time and time again. The team, led by the starting five, Tom Wheeler, Steve Mulder, John Gingres, Alvin Hawthorne, Ivan Gillis, have shown outstanding performance. Through hard work and determination, the J.V. team proved to be the Varsity Hawks of the future.

WRESTLING

Wrestling is the sport for those who are quick and agile. It is a challenge for our grapplers to face an unknown opponent on the mat and pin to win. In a sport that demands the utmost in skill and physical training, our grapplers are far ahead of the others.

Girls Tennis

The girls tennis team at Spruce Creek was right in the swing of things this year. In striving for perfection in form, endurance, and skill, our tennis teams won with powerful and perilous serves. With a host of stars returning from a successful last year's team, this year's team watched foe after foe fall under the lethal serves and vollies of our number one seeded Zenda Leiss, as well as Trish Parker, Teresa McCutchen, Patty Russell, Diane Janney, and Kelly Richey.

Boys Tennis

Spruce Creek's number one boys tennis team is always on top. Under the watchful eye of Coach Lager, who instructs both the girls' and boys' team, our boys battled toward a successful season. The boys' number one seeded player, Bill Woods, could always be counted on to produce the winning serve or to rally team spirit when needed the most.

TOP ROW: Joe Horton, Jeff Gordan, Craig Phillips. BOTTOM ROW: Bob Mickis, Chris Williams.

Coach [illegible] MacDonough

This is the second year for the golf team and the improvements are visible. The boys' team won by striving hard and working not as one, but as a team. Led by Coach MacDonough, the guys worked hard to meet the season's challenges by battling tough opponents for several hard-earned victories.

Baseball

Experienced players James King, Ken Hendricks, Danny Dascoli, and Paul Janan are the Varsity Baseball Players that kept our Hawks on top, victory after victory. The team spent hours preparing for their games by sharpening their fielding, batting, and pitching techniques.

Coaches Sam Collins and Chuck Baylor adopted from the beginning season a "Win-or-else" policy which helped our Hawks destroy opponent competition and boost team morale.

FUN BUNCH

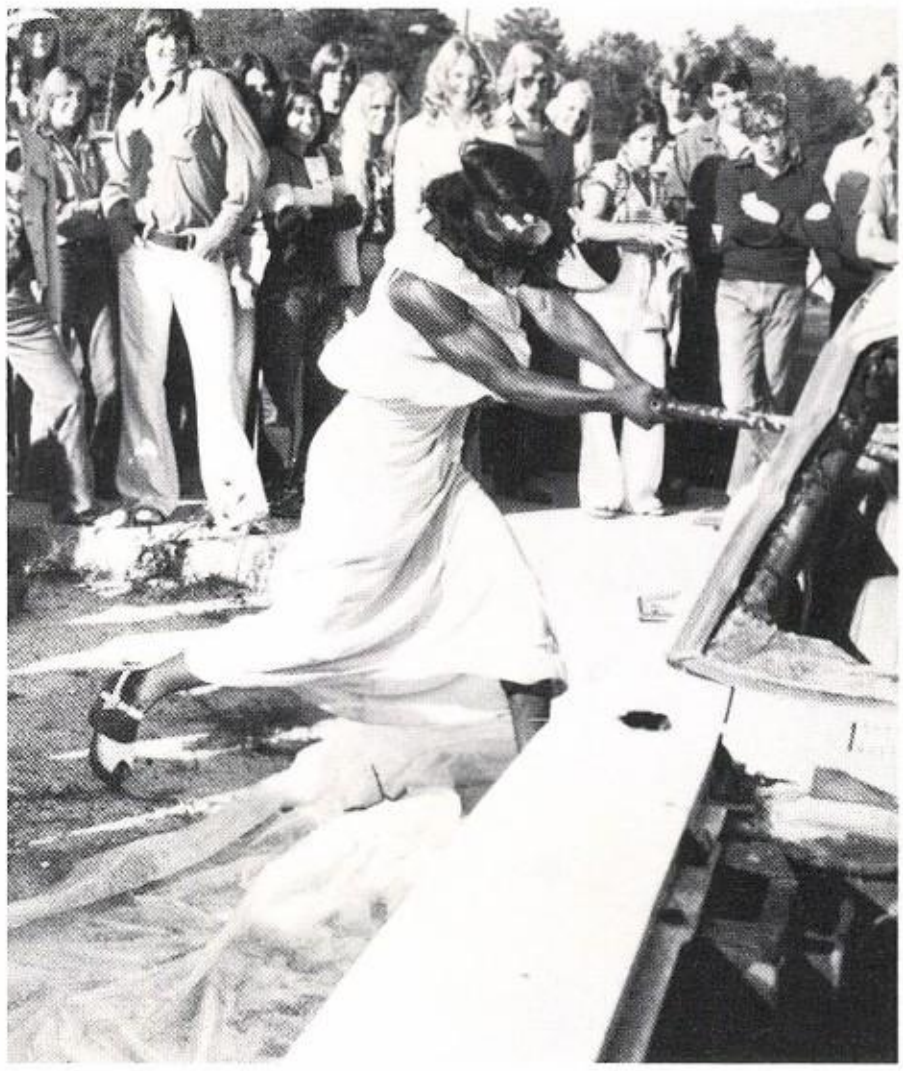
As far as possible, without surrender, be on good terms with all persons.

Fun Bunch

Exciting! Fun! Worthwhile! These are just a few of the words that could be used to describe this year's club activities at Spruce Creek!

Our Homecoming Carnival was made more special than ever, with the hard work and determination the clubs poured into it . . . making it a fantastic achievement!

For hungry contestants, Anchor sponsored a cake walk; while F.H.A.'s pie-throwing contest was a delicious success! French Club's bake sale helped put a few pounds on everyone! For working off all the "victuals" of the day, the Outdoorsmen Club sponsored a bicycle race, the Surf Club had a skateboard contest, Civitan offered pillow fights, and the Pep Club had a kissing booth! Every club contributed something stimulating and entertaining!



During the Christmas season, Beta Club sponsored an exciting door decorating contest which transformed our school into a place of magical wonder. They also visited Happy Corners School for the retarded where they made everyone feel extremely special. Anchor provided an inexpensive mailing service for Christmas cards which delighted everyone! They also had baskets for needy families that were badly needed and received as great blessings!

Key-Keyettes had a party in September which gave everyone a chance to water ski, eat, and become better acquainted with everyone else! S.G.A. has been active this year with everything from undertaking the enormous job of organizing the Homecoming Carnival to trying to establish better communication with fellow students through "Ear Day." Spruce Creek High School won the office of President School for Florida's District 3 at S.G.A.'s annual state convention.

The "High Stepping Hawks," the band, was extremely active with concerts, parades, and at-school activities, such as the Miss Spruce Creek contest! The Chorus also was busy with numerous concerts and performances, including a trip to Washington, D.C. They presented an excellent musical comedy in February — The Pajama Game!

For intellectually inclined students, National Honor Society and Beta offered unlimited opportunities. There were other interest Clubs ranging from Brain Team to Surf Club.

Finally, the Yearbook Staff has worked hard this year to produce a book that we hope everyone will enjoy! Long hours, determination, and inspiration has produced a record of this very special '76-'77 school year which shall be remembered . . . forever!

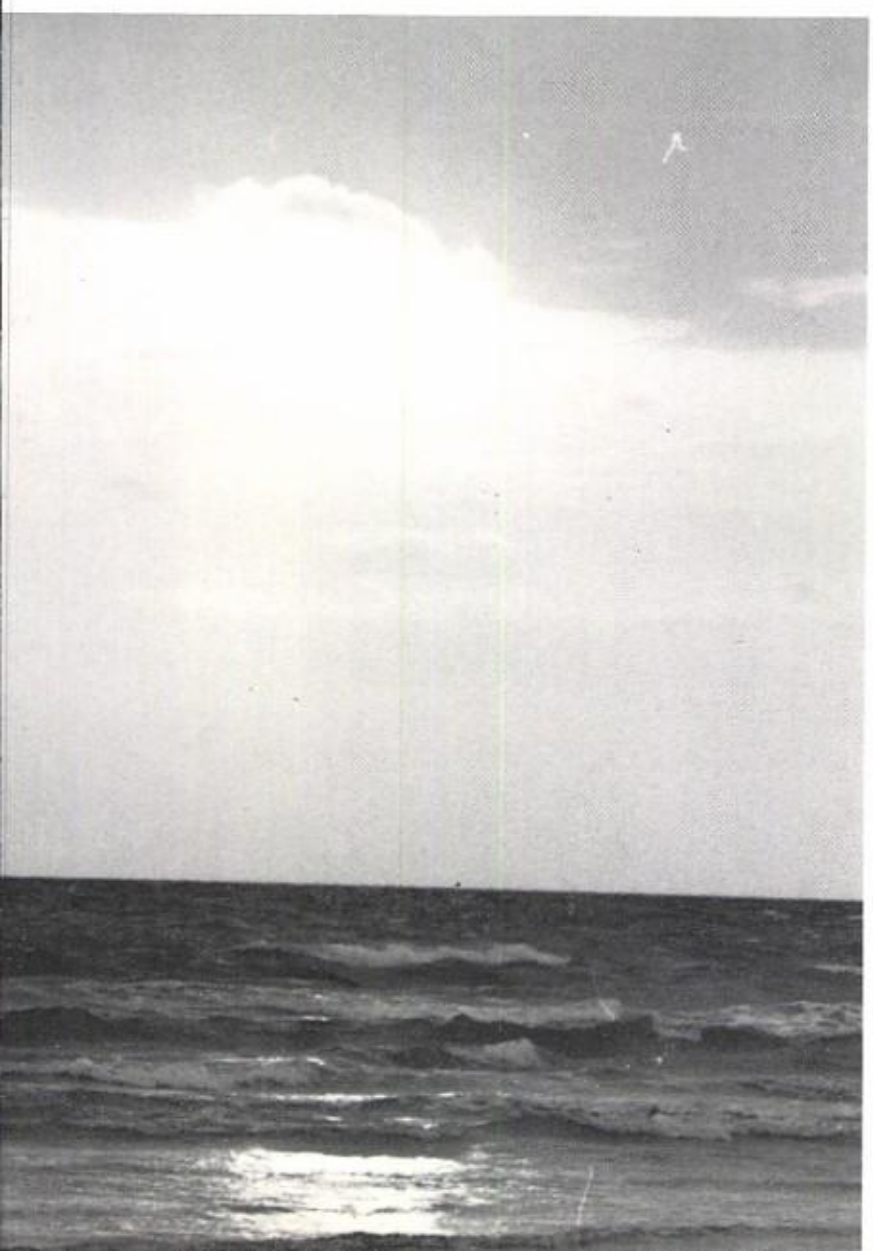
Changes

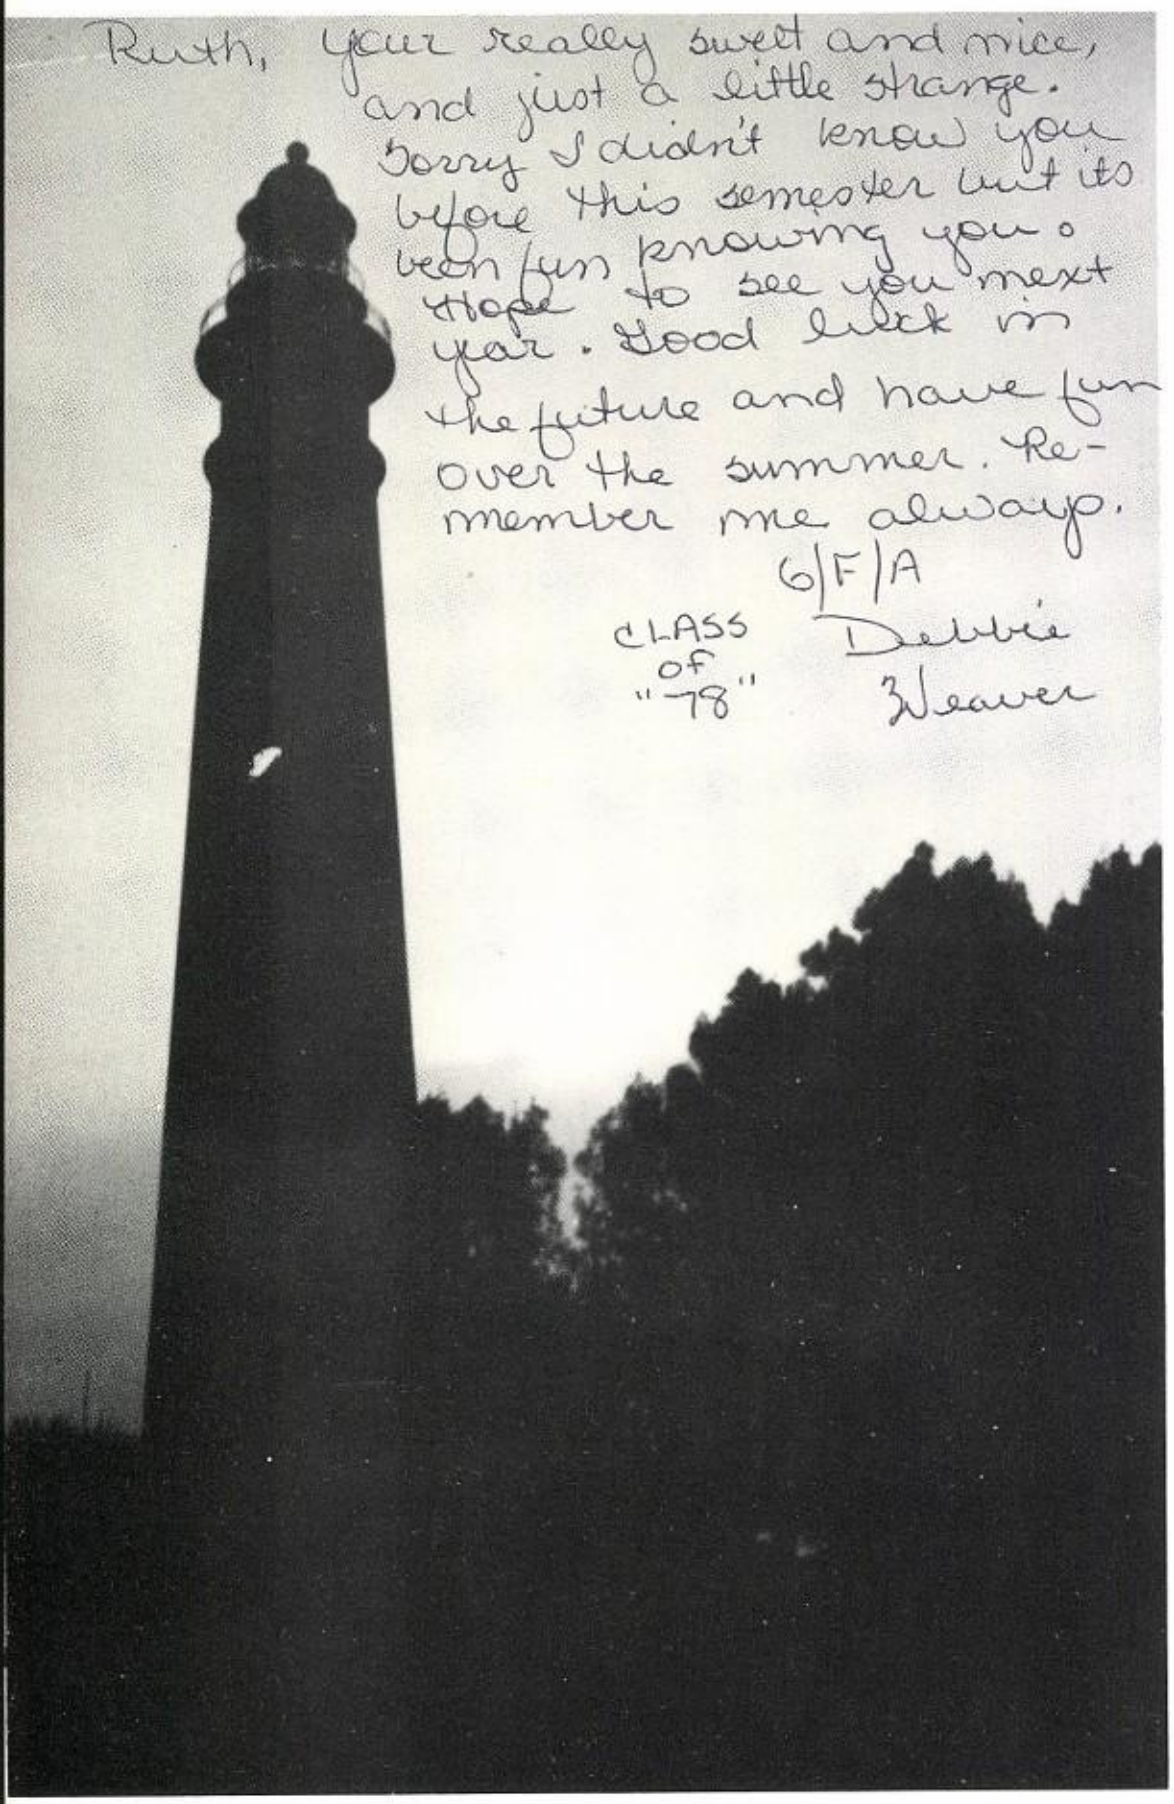
We
all know that we can
Change —
for in the journey of time
our destinies are
forever
becoming clearer as we
reach them.
Changes are as natural and as
expectant as a
new day and we should
never think of them as a setting sun
or a cloudy day.
Perhaps Fate leads us through
Changes; or perhaps we do so
ourselves.
We must learn to adapt.
We must learn to accept.
These changes are only a preparatory
step
for what is to
come.
We must face them for only then
will we
face
ourselves.

— Gail Acebes

You are a child of the universe, no less than the trees and the stars;
you have a right to be here.
And whether or not it is clear to you,
no doubt the universe is unfolding as it should.



Therefore be at peace with God, whatever you conceive him to be, and whatever your labors and aspirations in the noisy confusion of life, keep peace with your soul.



Ruth, your really sweet and nice, and just a little strange. Sorry I didn't know you before this semester but its been fun knowing you. Hope to see you next year. Good luck in the future and have fun over the summer. Remember me always.

So someone I sure wish I had met sooner. You're very nice, full of fun, and pretty and you've really got a nice looking man. I wish for you the very best because you deserve no less. Take good care of yourself and good luck in all you do and dream for. Remember all the good times and keep in touch (767-8302). Lots of warm love, luck, laughter and happiness.
